B Program 2016 Coaching Application

DEADLINE: November 1st 5 p.m.

Emailed president@davisyouthsoftball.org

Dear Coaches, Early "B" is a More competitive season that DYSA is offering to our older ladies in the 12u age division. It offers a bridge between Rec Ball and a possible future in Travel Ball. It offers a competitive tournament ball experience, without the extensive cost or travel of a full Travel Ball season.

The Season runs March through June with a total of 8 tournaments, all located in the greater Sacramento area. More tournaments are optional if play through the summer is desired by the team!

Interested players must register as normal for Spring Rec season, and then attend try outs in January. Any player not selected for "B" will continue into Rec. as per normal

Manager selected will work with DYSA board to plan and execute tryouts as required by Norcal. manager will have wide liberty to craft roster and coaching staff with final approval given by DYSA board with discussions and changes if Board deems fit.

Processes and operational guidelines will be built by the board and coaching staff in concert before tryouts and season parameters are finalized. If you have questions please email me directly, any time. Carson Wilcox president@davisyouthsoftball.org
